# Form C of The Iowa Tests® Coming 2007

Reflecting over 70 years of research excellence, The Iowa Tests offer educators a diagnostic look at how their students are progressing in key academic areas. Consisting of the *Iowa Tests of Basic Skills®* (ITBS®) and the *Iowa Tests of Educational Development®* (ITED®), The Iowa Tests can describe student achievement in three ways:

## Features and Benefits of The Iowa Tests, Form C

- Offers a third parallel form for The Iowa Tests, enabling you to continue using longitudinal data you've gathered using Forms A and B
- Meets many states' law requirements for testing with a new NRT form every three years
- Integrates new items that reflect current trends in curriculum, such as the latest NCTM standards, or taking a balanced approach to reading with both phonics and exposure to authentic literature
- Provides the same strong scoring and reporting options as Forms A and B
- Contains the Complete/Core and Survey Batteries with which you are familiar
- Offers the same test blueprint as Forms A and B; Levels 5R to 17/18
- Maintains the ability to get predicted CogAT® and ACT/SAT scores

- Comparisons made to the national norm group
- Comparisons made to local or specific norm groups
- Criterion-referenced interpretations based on content standards
